**Re: Request for Advisory Opinion
Docket No. 01A-0375/AP**

Dear Ms. Butler:

On August 24, 2001, I sent a request for an FDA advisory opinion, on behalf of the Pennsylvania Department of Health, to the Dockets Management Branch of the FDA. On August 30, 2001, you sent me a letter acknowledging receipt of the request on August 30, 2001, and requesting that any future correspondence in this matter refer to the above-docket number.

Would you kindly apprise me of the status of the FDA's action on the request and an estimate of when I should expect to receive a reply.

Sincerely,

Kenneth E. Brody
Senior Counsel
